

PRESS RELEASE KOMMUNALKREDIT AUSTRIA AG

IJ Global Awards 2018

The leading international trade journal IJ Global has honoured two transactions, where Kommunalkredit played a major role.

The IJ Global Award for best deal 2018 in the European Water category was awarded to the SAUR acquisition. Kommunalkredit acted as mandated lead arranger in the EUR 1bn financing of the takeover by EQT. SAUR is the third-largest water supplier in the French market and serves 13m consumers.

In the category of European Airports, the Belgrade Nikola Tesla Airport transaction was awarded best deal in 2018. Kommunalkredit acted again as mandated lead arranger in the EUR 420m financing raised for the Nikola Tesla Airport concession, which was given to VINCI Airports. The French corporation VINCI Airports ranks among the top 5 players globally and operates 45 airports worldwide.

IJ Global annually awards the best-in-class transactions to have closed over the past calendar year across the international infrastructure and energy sectors.
